Dear Stuart

RE: Endorsement of Unexpected Finds Protocol (Condition E19) TSE Packages - Sydney Metro City & Southwest

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval E19 of the Sydney Metro City & Southwest project (SSI – 15_7400 January 9 2017).

- Aboriginal And Historic Heritage Unexpected Finds Protocol forming part of the Aboriginal and Historic Heritage Management Procedure - Sydney Metro City & Southwest (Document Number SMCSWTSE-JCG-TPW-EM-MPR-003005, Revision 9 dated 13 October 2017).

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and commented on a previous version of the Aboriginal and Historic Heritage Unexpected Finds Protocol and consider the referenced version appropriate for implementation. The endorsement is subject to any comment Sydney Metro or DPE may have on the document as part of the approval of the CHMP.

Yours sincerely

Michael Woolley
Environmental Representative – Sydney Metro – City and South West
